

Dr. Dan's Cancellation Policy

Thanks to loyal patients like you, Dr. Dan's is busier than ever. We understand that things come up and very rarely you may be unable to make a scheduled appointment. If that happens, please call us at least 24 hours in advance so we are able to fill your scheduled time with another patient. There will be no cancellation charge if you call at least 24 hours before, however if we do not receive an advance call or any call at all, there will be a cancellation charge as follows:

1st time – no charge, we know life happens
2nd and subsequent times – \$50.

Please understand that we want to accommodate as many patients as want to see us without long lead times for appointments and we believe this policy will enable us to better serve all our patients.

Thanks very much,

Dr. Dan
