

The Teeth Tell the Tale

Straight Teeth	Crooked, Crowded Teeth
Plenty of room in head for pituitary, pineal, hypothalamus	Compromised space for master glands in the head
Good skeletal development, good muscles	Poor development, poor posture, easily injured
Keen eyesight and hearing	Poor eyesight and hearing
Optimal function of all organs	Compromised function of all organs
Optimistic outlook, learns easily	Depression, behavior problems, learning problems
Round pelvic opening, easy childbirth	Oval pelvic opening, difficult childbirth
